

## E Series Custom Light Boxes

Designed for evaluation of aerial film. Units feature a compact black aluminum lamp housing. Includes diffuser and power supplies with adjustable intensity control.

Available with intensities up to 5,000 foot lamberts, they provide long life and evenness of illumination. Rated up to 12,000 hours. Fan cooling (optional) is available for continuous duty operation at 3,000 foot lamberts and above as well as partial and full encapsulation for extreme shock and vibration.

Unless otherwise specified, equipped with W45 (6500 K) Specify desired intensity by adding suffix to basic model number. Example: -2 for 2,000 foot lamberts, -3 for 3,000 foot lamberts.
