Subject: RoHS and REACH Compliance Declaration

To all valued customers, Light Sources, LCD and Voltarc are dedicated to serving you by providing high quality products that meet environmental regulations including the RoHS (Restriction of Hazardous Substances Directive -EU Directive 2011/65/EU) and the REACH (Registration, Authorization and Restrictions of Chemicals – EU regulation (EC) 1907/2006). We are providing you with the following information to assist you in meeting your environmental policies and procedures.

Quartz Sleeves and ceramic parts currently supplied to your organization are compliant with the above regulations. Lamps currently supplied to your organization are compliant to or exempt from the above regulations. Unless stated specifically in the associated product Material Data Safety Sheets, the parts supplied by our combined companies do not exceed the threshold(s) as stated in the RoHS directive and in most cases; our products are exempt from the RoHS regulation under clause 4(f) of the directive. Products supplied by our combined companies do not contain nor are they manufactured with materials prohibited by the REACH directive.

Compliance is routinely reviewed and any change in compliance status will be reported to our customers in a timely manner. Our companies are committed to environmentally friendly solutions and continued efforts in reducing the impact on our environment.

Respectfully,

Don Wilson
Quality Assurance Manager
