

## RoHS, REACH Conflict Materials Compliance Declaration

Dear Valued Customers:

Light Sources, LCD Lighting and Voltarc are committed to providing high quality engineered lighting solutions that meet environmental regulations; including the Restriction of Hazardous Substances Directive (RoHS), EU Directive 2011/65/EU, and the Registration, Authorization and Restrictions of Chemicals (REACH) – EC 1907/2006. We are providing you the following information to assist you in meeting your environmental policies and procedures.

---

### RoHS:

We certify that where applicable, our lamps and accessory products comply with RoHS, EU Directive 2011/65/EU and do not exceed the threshold limits. In some cases, our products are outside the scope of the RoHS directive. For products built to customer specification or built to print please consult with your sales specialist.

### REACH:

We certify that the products supplied do not contain nor are they manufactured with prohibited materials listed in the REACH directive.

### Conflict Materials:

As a global supplier, we take the Conflict Materials policies very seriously. We ensure that all Conflict Materials used are not sourced from Suppliers in any of the Conflict Regions.
