

## RoHS and REACH Compliance Declaration

Dear Valued Customers:

Light Sources, LCD Lighting and Voltarc are committed to providing you high quality engineered lighting solutions that meet environmental regulations; including the Restriction of Hazardous Substances Directive (RoHS), EU 2015/863; the Registration, Authorization and Restrictions of Chemicals (REACH) – EC 1907/2006, and Conflict Minerals Reporting. We are providing you the following information to assist you in meeting your environmental policies and procedures.

### RoHS Compliance

We certify that where applicable, our lamps and accessory products comply with RoHS, EU Directive 2015/863 - and do not exceed threshold limits. In some cases, our products are outside the scope of the RoHS directive and not applicable.

### Reach

We certify that the products supplied do not contain nor are they manufactured with prohibited materials listed in the REACH directive.

### Conflict Materials

As a global supplier, we take the Conflict Material Regulation policy very seriously. We ensure that all Conflict Materials used are not sourced from Suppliers in any of the Conflict Regions. CMRT Available upon request.

Richard Goulet

Quality Manager
